“Love Your Neighbor Camp” is **June 2-7**. This is an empowering at-home mission trip experience crafted for students entering 4th grade - 8th grade. As an overnight experience (students will stay at the New Covenant campus each night), this week-long adventure provides a safe and supportive environment for young minds to explore the transformative power of compassion and selflessness.

ESTHER

Esther

Esther is one of the great heroes of the Bible and a powerful role model for our young people today. This three-week series will explore the story of Esther and the lessons we can learn from it today. Through her story we will learn from suffering and how God can use it for good and when challenged, to turn to prayer.

THE OTHER SIX

This is a three-week lesson leading up to the mission trip. The stories in the Bible are not standalone accounts of people, places, and events though; the Bible is one cohesive grand narrative of a God who created all things, loves all things despite brokenness and sin, came down in flesh to redeem all things, and is weaving a master plan to bring all things back to himself.
